	Monday	Tuesday	Wednesday	Thursday	Friday
Daily Writing	<p><u>Each day choose any 2 of the below activities to complete:</u></p> <ul style="list-style-type: none"> Trace and write their name on their name sheet <ul style="list-style-type: none"> Trace the letters on the alphabet mat Choose one trace the lines sheet and complete with your whiteboard marker <ul style="list-style-type: none"> Write their name in the dirt or sand outside Write their name in chalk on the concrete Write their name in different colours in their writing book Find and colour in the letters of their name on the keyboard sheet using a whiteboard marker and write their name 				
Literacy	Read/sing incy wincy spider Think of words that rhyme with 'sun' then complete the match the rhyme worksheet.	Hold up a colour card (e.g. green) and ask your child to find something that is green. Repeat this with other colours. Watch the video for the song/game Exercise, Rhyme and Freeze and play along!	Read/sing incy wincy spider . Cut out and glue the images for the nursery rhyme in order in your scrapbook .	Use coloured pencils to complete the I can sing a rainbow worksheet and glue this in their scrapbook . Watch the video for the song/game Exercise, Rhyme and Freeze and play along!	Listen to a story being read to you online at Vooks or Audible or read aloud by a member of your household. Read/sing incy wincy spider .
Mathematics	Complete the third page (Counting 1 and 2) of your number booklet . Hold up 1 or 2 fingers and ask your child to tell you how many there are. Repeat this. Use your playdoh on the number 1 and 2 playdoh mats .	Trace numbers 1 – 9 on your alphabet mat . Sing the 1, 2, 3, 4, 5 once I caught a fish alive song . Trace the shapes on your shape mat . Ask your child to make a circle/square/triangle/rectangle with their playdoh .	Trace numbers 1 – 9 on your alphabet mat . Go outside and find 5 different leaves. Put them in order from smallest to largest. Trace them in order in your scrapbook .	Complete the fourth page (The Number 3) of your number booklet . Ask your child to bring you 1, 2 or 3 of something (e.g. bring me three forks). Repeat this. Sing the 1, 2, 3, 4, 5 once I caught a fish alive song .	Trace numbers 1 – 9 on your alphabet mat . Trace the shapes on your shape mat . Go on a shape scavenger hunt – can you find something in your home that is a circle, square, rectangle and triangle? Draw a picture of what you find in your scrapbook .
History Geography Science Technologies Visual Arts	History Family If you can, watch the online book Who's in a Family? Ask an adult at home how their family growing up was different to now (e.g. dad lived with 4 siblings and 2 adults whereas now there is 1 adult and 3 siblings). Draw a picture of your family in your scrapbook and write who is in your family. <i>Record the weather today.</i>	Geography Weather Discuss the weather outside. Will it be the same tomorrow? Is it the same every day of the year? Write/draw the weather today under Monday Week 2 on the Record the Weather worksheet. <i>Record the weather today.</i>	Science Check you salt crystal from last week. Draw what your salt crystal look like now in your scrapbook . Post a photo of your salt crystal to the class Facebook page (no faces or background images). If you would like to know HOW this happened check out this website: Steve Spangler Science . <i>TIP: you can leave you crystal for as long as you want, it will keep growing, just add more salt water!</i> <i>Record the weather today.</i>	Technologies Design a Telescope Design and make a telescope using materials from around the house. Use it to look at the stars tonight. Take a close up photo of your telescope only (no kids' faces please) and email to your teacher or post on the Facebook group. <i>Record the weather today.</i>	Visual Arts MOTHERS DAY CRAFT Use the coloured paper provided to trace your hands and create the mother's day craft for someone you love in the link. Mother Day craft video <i>Record the weather today.</i>
Life Skills	Practice your contact phone number so it's memorised.	Talk to someone about how you feel today.	Make sure that you brush your teeth properly twice today.	Help prepare and cook a meal.	Go outside, close your eyes and listen to the sounds around you for 10 minutes.
Physical Activity & Play	Hop on one leg 10 times then swap legs.	Use a peg to pick up the matchsticks and put them into a bowl.	Roll your playdoh into snakes and decorate it with beads and match sticks .	How many times can you jump on the spot in 20 seconds?	Play I spy.

Please note: Activities for specialist subjects (Drama, AUSLAN and Physed) are available on the Lockridge Primary School Website to be completed each week in addition to the above planner.
